

This International three-week program, taught in English, is an excellent opportunity for cross-cultural learning between different students. Students from Rutgers University (USA) and from different European universities, including Alicante, participate in this program. Several outdoor activities and field trips are included (company visits, cultural activities).

Director: [Dr. Andrés Pedreño Muñoz](#)

Profesor del Dpto. Análisis Económico Aplicado
Universidad de Alicante, España.

Co-director: [Dr. Carlos Seigle](#) - Senior Fulbright Specialist -
